In the article by Acar et al., entitled "Role of endoscopic interventions and electroincision in benign anastomotic strictures following colorectal surgery" (Turk J Gastroenterol 2019; 30: 673-9) that was published in the August 2019 issue of the Turkish Journal of Gastroenterology (DOI: 10.5152/tjg.2019.18673), İzmir Atatürk Training and Research Hospital was written erroneously in the institution list. Upon receipt of the written request of the contributing authors, the Editorial Board reviewed the case and approved the institution list to be corrected as follows.

The corrected institution list is provided below;

¹Clinic of General Surgery, İzmir Katip Çelebi University School of Medicine, İzmir, Turkey

²Clinic of Gastroenterology, Koç University School of Medicine, İstanbul, Turkey

³Department of General Surgery, İzmir Atatürk Training and Research Hospital, İzmir, Turkey

⁴Clinic of Gastroenterology, İzmir Katip Çelebi University School of Medicine, İzmir, Turkey

You can access the corrected version of the article through the link below:
